

“Ensure absolute precision combines top-notch quality with affordable pricing”

World finest range of Life Science Equipments.....

Euronova Medical Upright Freezer

Our range of medicine freezer offer the safe and reliable storage of volatile liquids, reagents, chemicals, poisons and samples. With safety paramount when using volatile or flammable substances, the Euronova range of medical freezer has spark-free interiors to reduce the risk of internal explosions.

EFS-345

EFS-150

EFS-400A

EFS-200A

Features (Vertical Solid Door) Freezer

- Optimal energy saving machines due to better condensing capacity.
- Tropicalised i.e suited to take on harsh Indian temperature conditions, can perform at even 45 oC -17 to - 24 DegC and Easy to adjust temperature.
- Uniform Digital temperature display and controller
- Environment friendly refrigerant and foaming agent.
- Foaming door with dual insulation for better refrigeration effect
- 10 Numbers of Removable Drawers for easy cleaning and maintenance
- Unit Size (W x D x H) (mm) Model EFS-345: 600x680x1778 & Model EFS-150: 545x542x1144
- Door Type : Solid Door

Features (Vertical Solid Door) Freezer with Dynamic Technology

- European standard glass door upright chiller
- Outside white painted steel, Inside Stainless steel
- Digital Thermostat,
- Lock and key
- Fan assisted cooling system
- Revisable self-closing door
- Roll bond plate with fan
- Two front adjustable feet, two rear wheels
- Unit Size (W x D x H) (mm) Model EFS-400A: 600x600x1870 & Model EFS-200A: 600x600x870

Euronova Ultra Low Temperature Freezer : Our range of medicine freezer offer the safe and reliable storage of volatile liquids, reagents, chemicals, poisons and samples. With safety paramount when using volatile or flammable substances, the Euronova range of medical freezer has spark-free interiors to reduce the risk of internal explosions.

Euronova Laboratory Refrigerator: Modern pharmaceuticals need to be stored at exact temperatures. They are fully lockable to prevent unauthorized access and to ensure that all medication remains secure. To give you peace of mind in your decision by choosing Euronova pharmacy refrigerators, this new range has been Independently Tested to comply with World Health Organization performance criteria for vaccine refrigerators, not forgetting our Exceptional service and reliable product guarantee

EUL-400V

EUL-200H

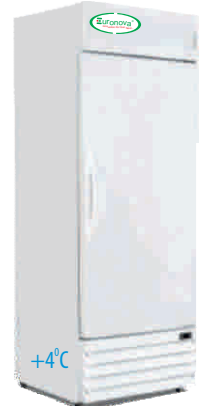

EUL-400

Features (Vertical Solid Door) Freezer

- Platinum resistance temperature sensor, temperature sensing accuracy
- Safety Control System
- Alarm system: High and low temperature alarms, sensor failure alarm
- Alarm Types: Buzzer and flashing
- Keyboard lock, password protection function to avoid set parameter randomly
- New design pressing door handle can strengthen heat preservation effectively, handle with silicone gel prevent cold injury
- Suitable for ambient Temp from 10°C~40°C. Removable air intake vent, easy to clean and replace condenser filter
- The unique damping noise reduction the noise is 55db
- Anti pinch injury outer door handle, can add padlock, more safety
- Double-layer SUS inner door and removeable, easy to clean
- Option of USB and remote alarm port
- Unit Size (W x D x H) (mm) Model EUL-400V: 855x1006x1917, Model EUL-200H: 865x660x875 & EUL-400: 675x 675x1850
- Available in Variant Models

EVC-1100 DLX

EVC-450 (Solid Door)

Features (Showcase Cooler)

- Fan assisted (Dynamic cooling)
- Self-evaporation water tray
- One vertical light+ one horizontal light
- Mechanical control+therometer
- Air sucking system to relieve the heatness of compressor
- Double-glass-layer-door with one in temper
- With lock and key, With extruded handle
- 4 casters , and 2 with lock, Self closing door, Painted Aluminum Interior
- Unit Size (W x D x H) (mm) Model EVC-1100DLX: 1160x720x2092 & Model EVC-450: 610x610x1960
- Available Model 120ltrs., 250ltrs., 350ltrs., 450ltrs., 650ltrs. & 1700ltrs.
- Danfoss Compressor
- EBM Fan Motor
- Dixel Controller
- Auto Closing Glass Door
- Semi Moveable Condensing Unit for Easy Maintenance
